Special To The Tribune.

BOISE, Ida., June 9.—Mr. Erastus Wright today put it all over his former Boise team-mates and sewed it all. For seven innings he pitched shut-out ball for the Elders and received shut-out support. Erastus had possessed himself of nearly everything in the twirler's category up to the commencement of the eighth. With the score then 6 to 0, he eased up a bit and the locals got five hits in the last two innings. These, with a pass to Schlus, a ball in Eddie Hammond's side and an error by Reilly, gave Boise four runs. McFarlan for Boise did fine work until the sixth. He tried to catch Wright at first and threw the ball over Kellack's head into the woods. In the seventh he blew up and the visitors pounded out two doubles, two singles and which, with an error that should have been made, batted, netted the visitors five runs. A double by McIntyre and running catches by O'Brien and Schlus were strong features of the game. The score:

Spokane 11, Ogden 4.

SPOKANE, Wash., June 9.—Spokane gave three Ogden pitchers an illustration of timey batting this afternoon before the largest crowd of the week. Hooper was benched after the first. Castleton, who succeeded Hooper, wandered to shelter in the third and Fulmer was compelled to pitch out with hopeless defeat staring him in the face. Ogden's fielding was as bad as has been seen here this year, and the pitchers had no chance. Kinkhammer weakened in the seventh, but braced again. The score:
